of the end of that time, there was all in Emporia a unique health real. It is a subject to enter the night courses beginning October 2. More than fifty who desired to enter the night courses beginning October 2. More than fifty presented their names. The high school building will be open for enrollment every Monday, Tuesday and Thursday night until the beginning of the night open for Emporia to employ a health classes. Those who desire to enter classes of the vocational night school. classes of the vocational night school grant to conduct a campaign against reventable diseases. This was done, and Dr. Flanagan was selected.

The campaign in Emporia is unique that it is the first of the kind consted in the State. Dr. Flanagan is district director of the State Board (lealth, and has been working in beinderform with the State Board of earth and the International Health ommission of the Re kefeller foundation. In addition to the commercial law course offered last year there will be introductory courses dealing with classes of the vocational night school introductory courses dealing with contracts, domestic relations, criminal law, carriers, torts, agency and per-sonal property. The courses will prepare for advanced work in such law schools as those at Richmond College and the University of Virginia

WILL GIVE COURSE IN
BUSINESS ADMINISTRATION

Superintendent Chandler stated last night that the courses in business administration would be the only ones given this year in the State of Virginia. There will also be offered work in history and political science. Students completing these branches in the Richmond night schools will be able to enter courses in business adminis-tration in Northern universities.

A night school will be opened this year for the first time in connection with the Richmond City Normal School. Regular instruction will be given and will be recognized by the State Board of Education. A number of teachers have already applied for admission. In addition to teachers in the Richmond city schools, teachers will be admitted
